# Have You Tried?

Lydia E. Pinkham's Vegetable Compound? We can furnish positive proof that it has made many remarkable cures after all other means had failed.

Women who are suffering with some form of female illness should consider this.

As such evidence read these two unsolicited testimonial letters. We guarantee they are genuine and honest statements of facts.

Gardiner, Maine.—"I was a great sufferer from a female disease and weakness. The doctor said I would have to go to the hospital for an operation but I could not bear to think of it. Lydia E. Pinkham's Vegetable Compound completely cured me in three months."—Mrs. S. A. Williams, R.F.D. No. 14, Box 39, Gardiner, Me.

So. West Harbor, Me.—"I suffered for years with painful periods, backache, headaches, nervousness, irregularities and inflammation. I consulted two physicians and one advised me to have an operation."

"I was completely discouraged when I decided to try Lydia E. Pinkham's Vegetable Compound, and it has made me a well woman. I advise all suffering women to take Lydia E. Pinkham's Vegetable Compound."—Mrs. Lillian Robbins, South West Harbor, Me.

Evidence like the above is abundant showing that the derangements of the female organism which breed all kinds of miserable feelings and which ordinary practice does not cure, are the very disorders that give way to Lydia E. Pinkham's Vegetable Compound.

Women who are afflicted with similar troubles, after reading two such letters as the above, should be encouraged to try this wonderfully helpful remedy.

For 30 years Lydia E. Pinkham's Vegetable Compound has been the standard remedy for female ills. No sick woman does justice to herself who will not try this famous medicine. Made exclusively from roots and herbs, and has thousands of cures to its credit.

Mrs. Pinkham invites all sick women to write her for advice. She has guided thousands to health free of charge. Address Mrs. Pinkham, Lynn, Mass.
